

# Keep the **MarshallCountyWINS** Raffle @ **YOUR** Company!

The Indiana Gaming Commission has told us that anyone who hands out our raffle tickets to an employee **MUST** be registered as an “operator” on our license. We believe the **MarshallCountyWINS** raffle is something most donors enjoy. **In order to offer it in your company, someone MUST be registered with us as an “operator.”** This simply means that this person will be handing out the raffle tickets to the employees. If you have any questions, please contact Chris Johnson at 574.936.3366 or [cjohnson@marshallcountyuw.org](mailto:cjohnson@marshallcountyuw.org).
